PRESTONS PARK

Development Update

With the successful release and uptake of sections in Stage P (50 Lots), CDL Land has pushed ahead and constructed Stage W (74 lots) and anticipates titles for this stage will be issued on or around 25-Aug-2017. Professionals Christchurch will be releasing 42 sections from Stage W for sale as a first release to the market on **28**th **July 2017.** As we have already received a flurry of expressions of interest for sections in Stage W, we urge prospective purchasers to make early contact with Colin Lock (Mob: 027-453-9401) at Professionals to secure the section of your choice.

Construction of Stage X (44 Lots) is currently underway and the contractors are making good progress, considering the wet weather experienced lately. Titles for Stage X are expected to be issued on or around 24-Nov-2017. CDL is currently reviewing the market release date for Stage X and will provide an update in due course.

In the meantime, please feel free to visit the Prestons Park Website: www.prestonspark.co.nz for the current listings and pricing for available sections, together with general sales information.

Below is a schedule of timeframes and key dates for the development and titling phases for Prestons Park.

Please note the Stage numbering references below relate to the Subdivision Stage identified on the Prestons Park Scheme Plan located on the Prestons Park website.
