## PRESTONS PARK

## **Development Update Summary**

Unfortunately adverse weather over the past 3-4 weeks has delayed construction of Stages T6, T7 & U2, which in turn will delay the 224c and titles for these stages. Accordingly, we have updated the estimated completion timeframes for all remaining Prestons Park Stages within the schedule below.

We are pleased to advise the Civil Works for Stage 4, comprising 136 residential lots has commenced and we look forward to seeing this stage take shape over the coming months. We will provide a further detailed update on the estimated timeframes for key development phases in the Aug-2020 Development Update.

We continue to see steady demand for sections within Prestons Park and encourage you to contact Colin Lock or Angela Allan at Professionals on Ph:03-281-7517 to register your expression of interest for sections, as sections continue to be selling fast.

The schedule below contains timeframes and key dates for the development and titling of the various stages currently underway at Prestons Park. Please note the stage numbering references within the schedule below relate to the Subdivision Stage identified on the Prestons Park Scheme Plan located on the Prestons Park website.
